Jordan Ellis

jordan.ellis@example.com | (555) 010-2233 | Boston, MA

EDUCATION

Boston University, Questrom School of Business: MS in Information Systems, expected May 2027.

EXPERIENCE

1. Data Analyst Intern, Harbor Analytics, Boston (June 2026 to August 2026). Built dashboards in Tableau for the leasing team and cleaned rent roll data for 40 properties.

2. Research Assistant, BU Questrom (September 2025 to May 2026). Analysed apartment rental listings and tenant survey responses in Python.

SKILLS

Python, SQL, Tableau, Excel, Spanish (fluent).

PROJECTS

Rent affordability model for Boston neighbourhoods using public housing data.
